

CPE Product Description

The CPE is a high power LED area light designed for covered parking lots, tunnels, subways, underpasses and low bay applications. The low energy consumption of the LED light engine provides significant reductions in operational costs. The superior optical design eliminates glare and light trespass, and provides superior fixture to fixture uniformity.

Features and Benefits

- High system efficacy
- Type 4 distribution
- Full cut-off for reduced glare and light trespass
- Surface mount pendant or pole mount
- Nominal input power of 90 Watts
- Replaces 250W metal halide
- Useful life of 70,000 hours (to 70% of initial light output)
- CRI of 90+
- Standard 5000K
- Rugged extruded aluminum housing
- Anodized finish available in black, silver, bright or matte gold
