

## JSL Product Description

The JSL is a state of the art pole top luminaire designed for street and parking lot applications. The low energy consumption and zero-maintenance advantages of the LED light engine provide significant reductions in operational costs. The long life expectancy makes it ideal for installations with long hours of operation or difficult access. The JSL's unique adjustable design, coupled with the multi-angle mounting bracket, allows for optimal pole to pole light coverage.

## Features and Benefits

- High system efficacy
- Type III distribution
- useful life of 70,000 hours (to 70% of initial light output)
- CRI of 80+
- Standard color temp. 5000K
- Rugged aluminum housing
- Custom color finish avail.
- Multi angled mounting options
- Optimum light distribution
- No light trespass
- Zero maintenance

## Ordering Information

Model #	Finish	Color Temp	Lens
JSL-1090-50GR	Grey	5000k	clear
JSL-1090-50BL	Black	5000k	clear
JSL-1090-50GR	Green	5000k	clear

## Specifications

- Height 3 3/4" - Width 23 3/4" - Length 17 1/2"
- Auto ranging input voltage 90-240 Vac
- Greater than 92% efficiency
- MBTF > 100,000 hrs. MIL217F.
- IP66 rated NEM4 for damp location
- 61 watts
- Lumen output 5000lm
- cETLus certification. FCC B.
