

Wall Pack Product Description

The WPE is a wall mount LED light designed for security and general illumination. The low energy consumption and maintenance advantages of the LED light engine provide significant reductions in operational costs. The optical design eliminates glare and light trespass and provides superior fixture to fixture uniformity.

Features and Benefits

- High system efficacy
- Wide distribution
- Full cut-off for reduced glare and light trespass
- Suitable surface mounting up to 30'
- Nominal input power of 90 Watts
- Useful life of 70,000 hours (to 70% of initial light output)
- CRI of 90+
- Standard 5000K
- Rugged extruded aluminum housing
- Black, Matte Silver, Bright or Matte Gold anodized finish
